Download Delta Force 3: The Hidden Face Demo (Mixed) Watch the Delta Force 3: The Hidden Face Trailer: You play as Sergeant Norman "Hot Dog" Harris and must fight on four separate fronts: The raid on The Covenant base on The Ark, The destruction of the compound in Outpost 23, the capture of a key El-Omani scientist, and the extraction of a key witness. Your decisions and actions will determine the fate of the world. The game includes diverse action sequences from simple takedowns to hand-to-hand combat, as well as stealth actions. You can choose to go in guns blazing or take it slow and precise, depending on your situation. Your arsenal includes an M4A1, M16A1, CZ 550B, HK-5A5, 9mm, and much more! The game features five missions with more to come. With more than 30 weapons to use, various vehicles, and weapons, the mission editor provides

hundreds of possibilities. The first-person shooter is a mix of intense action and tactical gameplay. So you can't walk away from a mission without having a full arsenal to defend yourself with. We have a mixture of small, medium and large sized levels. These levels can be randomly generated or crafted by the player. We hope that you enjoy these levels and share with your friends.
