About This Game

Zeta Complex is a hardcore tactical platformer with roguelike elements that challenges your wit and reaction. Find your way through ever-changing labyrinths while not being killed by deadly turrets! A variety of weapons and utility abilities is to help you with that, but you'll have to be cunning and fast-minded to use them to full potential.

Diagram 1: Power Distribution

Can you see how power is distributed? Do you see any gaps? Get a good view of the rows.

Don't forget to move and mouse to get a good photo.

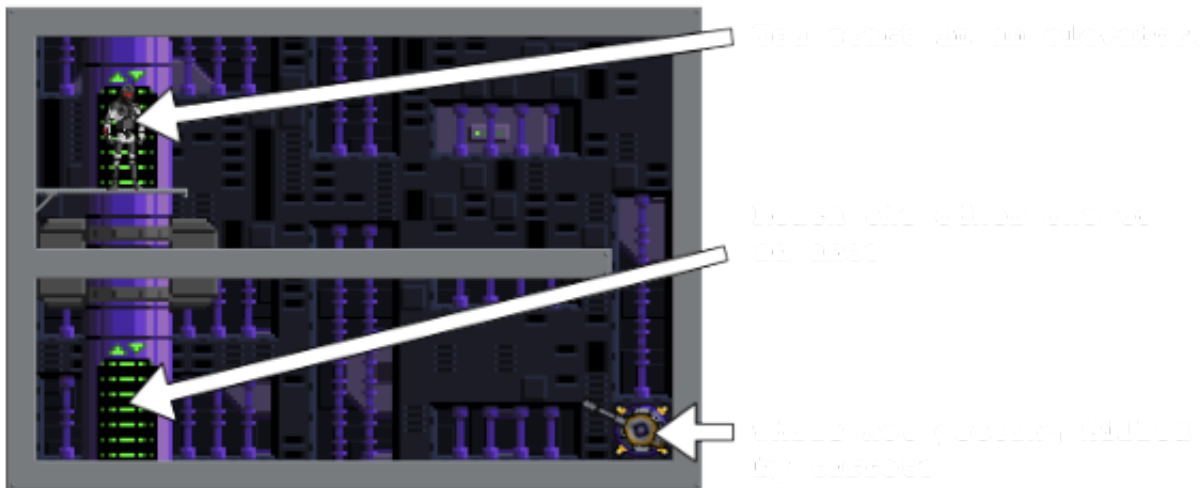

Diagram 2: Server Components

Can you see the server?

Can you see the server? Can you see the server?

Can you see the server? Can you see the server?
